

## ***Fund the Gap Frequently Asked Questions***

### **Why are donations crucial?**

Peace Valley Charter School provides children in the Treasure Valley access to a Public Waldorf education without charging tuition. This education costs more than what the state provides in funding, which is only 65% of what a traditional school receives. We are trying to make up a \$120,000 gap in funding.

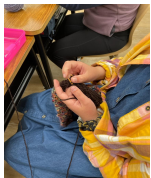

### **How are donations to Fund the Gap used?**

We are an Idaho nonprofit and a 501(c)(3) and donations may be eligible for an Idaho Tax Credit. Your donation funds school expenses for the year, including our particular Waldorf classes like Strings, Eurythmy, Mandarin, and Handwork.

### **How much and how often should I give?**

Peace Valley welcomes all amounts! Our requested pledge is \$400/year per child, or \$44/month per child, but many families give more or less, according to their ability. Our program gives you flexibility to donate monthly, quarterly, bi-annually, or one time by credit or debit card.
