INTENT TO RETURN

2019-2020 School Year

We love having your child as a student at Peace Valley Charter School (PVCS) and hope you choose to return for the 2019-2020 school year. Because enrollment is limited, we want to make sure that your child has a space reserved for next year. Please return this form to school no later than **April 10, 2019** so we can open up any available seats for our upcoming lottery.

RETURNING: We look forward to serving your family this coming year! If you have a child who did not attend PVCS during the current school year who you wish to enroll for 2019-2020, you must complete an enrollment application for him/her *prior to the lottery close date on April 25th*. To the extent that new spaces are available, PVCS will give enrollment priority to siblings of existing students.

NOT RETURNING: If your child is not returning, his/her seat will no longer be available after our lottery closes on April 25th. If you desire to re-enroll your child at a future date, we invite you to reapply for enrollment through our website, and he/she will be placed on the waitlist.

If your child(ren) will not be returning, we would appreciate any feedback you can provide as to the reason behind your decision to not return.

Thank you for choosing Peace Valley and being a part of our Waldorf community.
