

Field Trip Release

Dear Parent/Guardian:

Peace Valley Charter School believes that off-campus activities are an important part of your child's learning experience. This year your child will have the opportunity to participate in off-campus activities/field trips like visiting nature centers, farms, hikes, river walks etc. Because of this, we are asking you to complete this form granting permission for your child to participate.

Parents can choose to not have their child participate in said activities. No student is allowed on any off-campus trips without this signed and completed form. Teachers will not be permitted to make exceptions to this rule for any reason.

Student Injuries/Medical Costs

It is important for parents to understand that even with Peace Valley Charter School taking the greatest of all precautions and having close supervision, accidents unfortunately can happen. Peace Valley carries only liability insurance, meaning that we do not carry health insurance that will cover the cost of medical expenses resulting from an injury that a student may sustain while attending school or during off-campus activities and field trips. Parents/Guardians should be prepared for possible medical expenses that may arise if their child is involved in an accident at school.

I have read and understand that the medical costs for injuries that occur at school or during off-campus activities are the parent/guardian's responsibility.
